

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

December 7, 2021

Dear King Members, Friends, and Family:

As hospitalizations due to COVID-19 rise and with the emergence of a new variant of the virus, we remain very concerned about the health and safety of our members and our staff. Please, if you haven't already, consider getting vaccinated. It is the best way to help us prevent the spread of the virus and its potentially deadly effects.

Since we updated you on November 30, we have had 1 member test positive for COVID-19. Currently, we have 8 cases of COVID-19 on campus (3 members, 5 employees).

As always, continue to follow the guidance of the CDC with regard to face coverings, social distancing and hand hygiene. Thank you for your commitment to our health and safety.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius, Commandant
